**Reference: Positive advice IFS Logistic audit – Contract NL/VOE 71220559**

Dear Mr Hutten,

With this, SGS Nederland B.V. declares that the (re-)certification audit on the standard IFS Logistic on Eosta B.V. has lead to a positive advice of the lead auditor.

On 6 & 7 October 2020 on his findings, he has given a positive advice concerning the certifiability of the system of the company Eosta B.V..

The next step in the certification process is the review by the certification board. If the auditor's positive advice is confirmed, the certificate will be issued.

If you have any queries with the above please contact me.

Kind Regards,  
SGS Nederland B.V.
